How to use FX Solutions Global Trading System

Wednesday, April 21, 2010 8:00 AM - 9:00 AM CDT

Webinar Registration

This webinar will demonstrate a live walkthrough on how to use the Infinity GTS futures trading platform.

Trading Futures, Options on Futures, and retail off-exchange foreign currency transactions involves substantial risk of loss and is not suitable for all investors. You should carefully consider whether trading is suitable for you in light of your circumstances, knowledge, and financial resources. You may lose all or more of your initial investment. Opinions, market data, and recommendations are subject to change at any time.
